

BOXER BULLDOG KENNEL CLUB REGISTRY

110 Wilson Rd. Anderson, SC 29625

LITTER PLUS ONE PARENT REGISTRATION

The registration fee is based on the number of pups being registered plus a single parent. If registering under purebred status both parents **MUST BE** of the same breed. Developing breeds **MUST NOTATE** breed of each parent. If the other parent is not already BBKC registered it is highly advised to use the Family Registration option instead. Having only one parent BBKC registered can significantly impact how well your dog's Family is tracked overtime.

Discounted Fee Schedule: 1 Parents \$35 + \$10 Per Pup (First 10 pups each after the 10th FREE)

An additional discount up to 20% for pedigrees is provided in the form of a rebate. Rebate is based on individual pedigrees calculated on an individual dog basis. To qualify for rebate the pedigrees **MUST BE** from another official registry.

Private pedigrees and online pedigrees do not count toward rebates.

Whether official or private held all known genealogy data should be provided for research purposes. The more you provide us the more we can research and use to enhance your material. A fill-in pedigree template is available at the end of this form. If submitting an official pedigree from another registry it **MUST BE** a photocopy with all names and numbers included, complete and legible. Pictures of relatives may also be included to enhance your material.

All personal information is important to completing one's ownership details so please complete as thoroughly as possible including providing emails. Emails are VERY IMPORTANT when available as they are our first line of communication and are used to set up an owner's account on our social network, which allows for tracking the ongoing genealogy development as the dog's Family continues to grow.

It is not required that pups be given formal names as the names are merely temporary until the new owners provide official permanent names of their own. If not naming the pups simply mark numbers in the boxes below. Example 1,2,3. If you do wish to name them this is also fine.

Each pup will be provided their own individual temporary registration certificate that will include a transfer form on the back for the new owner to complete their pup in their own names. Once completed a new set of personalized material will be completed and sent to the new owner that will include their own personal information.

Providing us with the most advanced genealogy information possible is important when such information is available as this allows us to develop the most advanced pedigree information possible for new owners.
